Notice on Subcontractor Certification

Chapter 507 of the Acts of 2004 requires that effective December 31, 2005, contractors wishing to bid on sub-trade work, valued over \$20,000 and bid pursuant to M.G. L. Chapter 149 (public building projects greater than \$100,000 in value) will need to possess a Certificate of Eligibility from D.C.A.M. (Division of Capital Asset Management).

Please be certain to refer to "Notice On Subcontractor Certification -- Implementation Schedule, dated 04/2005" at our web site at http://www.mass.gov/cam/Creform/Cert_Sub_ImplementationSched_2005_04.pdf for a complete schedule for the time frame for each category of work and its corresponding application deadline.

We strongly urge all contractors who intend to seek filed sub-bid work to apply for D.C.A.M. certification by October 28, 2005 to ensure timely processing of your certification application. Applicants who seek certification after this date are not guaranteed subcontractor certification by January 1, 2006.

If you have any questions, please feel free to contact the Certification Office at (617) 727-9320. Thank you.
